

## RECENT PROJECT EXPERIENCE

DATE	CLIENT	PROJECT	DESCRIPTION
August 2016 - Ongoing	Rio Tinto	West Angeles Potable Water Main	Replacement of existing potable water and fire main
July 2016 - Ongoing	Roy Hill	Bravo 101	Dewatering services
February 2016 - Ongoing	Roy Hill	Duplication Water Line Project	Duplication of existing 20km main water line
December 2015 - March 2016	Rio Tinto	Mesa J TSF 5 Stage 2	Supply and installation of steel tailing pipework
September 2015 - November 2015	Rio Tinto	Turee Creek Upgrade Stage 2	Duplication of pipe work
March 2015 - February 2016	Rio Tinto	BS4 Discharge Pipeline & Dewatering Infrastructure	Design and construction of dewatering discharge pipeline
May 2015 - December 2015	Newcrest Mining Limited	Telfer - West Dome Dewatering Pit 9	Installation of mine dewatering pit dropper, pipeline and welding
May 2015 - Novemer 2015	Georgiou Group	Kwinana PSH Dalrymple Drive	Pipe welding for sewer main extension
May 2015 - August 2015	Buckby Contracting	Water Bore Welding Suffolk Stage 4	Welding pipe string for horizontal boring
March 2015 - July 2015	Rio Tinto	Yandi Stage 7	Supply and install of pumps, headworks and HDPE pipeline
February 2015 - Ongoing	Roy Hill	Delta Zulu Water Supply & Dewatering	Supply and install 10 dewatering bores and associated infrastructure
November 2014 - February 2015	Roy Hill	Sump Pump Pipework	Sump pump pipework and installation of 8 bores
October 2014 - May 2015	John Holland	YSP - Junction South West and Stockyard	Supply and installation of process water line
October 2014 - February 2015	DTMT	Cape Lambert Port B Project	Piping works for fire water main
September 2014 - March 2015	Georgiou Group	Kingsford Smith Small Business Park Water Distribution Main	Potable water main 400 and 630 mm
September 2014 - December 2015	Roy Hill	MSA Turkeys Nest	Supply, installation and commissioning of turkeys nest
August 2014 - Ongoing	Alcoa of Australia	Alcoa WAO Service Contract	12 Month Western Australian service contract covering 5 Alcoa sites
May 2014 - March 2015	Rio Tinto	Mesa J TSF 5	Supply and installation of steel tailing pipework
April 2014 - December 2015	Calibre/Rio Tinto	Yandi Sustaining Project	Dewatering infrastructure and headworks for JSE
March 2014 - May 2015	Rio Tinto	Paraburdoo	Paraburdoo tailings facility storage upgrade
February 2014 - July 2014	Rio Tinto	Turee Creek Upgrade	Duplication of pipe work
January 2014 - August 2014	Rio Tinto	Tom Price	South East Prongs acid tank, HDPE pipework, gem-sets, MCC and electrical installation
November 2013 - December 2014	SKM/Rio Tinto	West Angeles	Design and construct Deposit B dewatering package
November 2013 - May 2014	Rio Tinto	Hope Downs 1	South central pit dewatering
October 2013 - January 2014	Newmont	Boddington Gold Mine	Hedges Dam pipeline -7km 900mm HDPE buried pipeline
October 2013 - January 2014	NRW/BHP	Mooka	Ore car repair workshop buried potable and sewer pipeline installation
October 2013 - December 2013	Rio Tinto	Mesa J	Bore field upgrade
September 2013 - October 2013	Regis Resources	Garden Well	Slurry pipeline installation 9.3km 315/355mm HDPE
July 2013 - August 2013	Water Corporation	Christmas Island	Waste water rising main installation 3.8km 225/250mm HDPE
June 2013 - November 2013	Rio Tinto	Paraburdoo	Screen house upgrade
May 2013 - June 2013	Alcoa of Australia	Pinjarra Residue	Sub liner under drain discharge mechanical package
May 2013 - June 2013	Alcoa of Australia	Sand Sump Discharge Lines	Mechanical package of HDPE pipelines and civil works
February 2013 - August 2013	City Excavations	Alcoa Cooling Ponds	420,000m2 HDPE lining and laying of geotextile
February 2013 - August 2013	Calibre/Rio Tinto	Yandicoogina Dewatering Infrastructure	15km of 900mm-315mm HDPE broiled collector main pipeline and discharge pipeline
January 2013 - March 2013	Onyx/Rio Tinto	Brockman 4 Tank 7 Relocation	Install and construct new tank and infrastructure. Dismantle old tank
October 2012 - November 2012	Abi Group	Cape Lamber Rail Enhancement	13km HDPE pipeline and infrastructure installation
September 2012 - March 2013	Rio Tinto	Yandicoogina 2012 Dewatering Infrastructure Project	8km 500mm HDPE pipeline, pit dewatering, design and construct outfall structure
September 2012 - October 2012	Charles Hull Contracting	Pinjarra RSA 1 Decant System	450mm HDPE pipework under drainage and decant
September 2012 - October 2012	Charles Hull Contracting	RSA 5/7 Corridor Wagerup	3km of 630mm HDPE decant return line and 500mm sprinkler header
June 2012 - July 2012	Alcoa of Australia	RSA 1 Under Drainage	Install under drainage pipeline system and ties
February 2012 - December 2012	Rio Tinto	Paraburdoo Tails Dewatering Line Upgrade	3km of 250mm HDPE pipe, fabricated steel priming pot, pumps and motor on skids
